## Experience

<b>Founder &amp; Chief Executive Officer, Feed'Em</b>	December 2017 – Present
Feed'Em works in eradicating hunger by creating a bridge between people with leftover food and underprivileged communities in a particular society. With the help of an innovative hunger map, the volunteers effectively distribute free leftover foods to less fortunate.	
<b>Founder &amp; Chief Executive Officer, Green</b>	July 2017 – Present
Green is an NGO that promotes afforestation and the recycling of plastic bottles, arranging events, seminars, workshops at different local communities and schools. Till now, it has reached more than 100,000 people, conducting seminars and country-wide tree plantation programs.	
<b>Incubator Lead, Be-Lab by BetterStories Ltd.</b>	September, 2018 – Present
I initiated "Be-Lab", a project that involves entrepreneurs from all around Dhaka city in being social initiators and change-makers under the supervision of Better Stories Ltd. The first session initiates on January, 2020.	
<b>Regional Ambassador, Eco Generation- Samsung Engineering Ltd.</b>	March, 2019 – August, 2019
Eco Generation falls under the CSR of Samsung Engineering Ltd. As a regional Ambassador, I've posted monthly reports on different environmental issues taking place in my region. As well as I've executed campaigns and events to raise environmental awareness on Eco Generation's behalf.
